

Friday Nite "On the Fly" Interpretative Challenge

When: First Friday of each month 7:15pm-8:15pm

Cost : \$25.00

What is Friday Nite "On the Fly" Interpretative Skating?

An opportunity for skaters to show their creativity, be their own choreographer and construct a program to music on the fly!

Genre of music will be posted one week in advance.

Skaters are encouraged to dress in costume reflective of the music theme.

Each week, participants will be "surprised" with a specific routine requirement which changes monthly. The skater who is best able to demonstrate this requirement along with overall performance will determine our winner!

The music will be played 3 times, giving skaters 10 minutes to choreograph their interpretative routine. Skaters then wait off-ice as each participant is called back to perform.

This is a great way for skaters to practice being better prepared and more comfortable for competitions and testing. Interpretative skating builds confidence and showmanship, which helps skaters of all levels to achieve excellence!
